Dear all,

We now call for membership for the newly created Finance Society @ TAMUC. Being a member of the founding year is a great opportunity to help direct the future of the Finance Society @ TAMUC while also forming national contacts through students, faculty, and businesses. Please contact fin.tamuc@gmail.com if you are interested.

About - The Finance Society

The Finance Society @ TAMUC is a student organization focused on assisting any TAMUC student interested in banking, financial planning, investments, real estate, or any other topic/area in finance in their professional, academic, and social development.

We are in the process of creating a finance society that would be approved to be the local chapter of the Financial Management Association (FMA) on campus. There are numerous benefits of an FMA membership. Please find them in this link:
