

TAMUC VENTURE COLLEGE SEMINAR:
Principal Research & Legal Assessments for Startups

Attorney & Business Leader

JIM CHESTER

Jim Chester discusses the legal and research aspects of starting a project, business, or nonprofit endeavor.

Jim Chester is an entrepreneur in the legal community with over twenty years of experience as an attorney, starting several ventures including ENGAGE, a co-working space for attorneys, OWL Suites, an AirBnB-inspired office platform for professionals, and VENTAC, a subscription-based platform that provides legal needs handled by attorneys.
