

LION'S LECTURE

Come and be entertained and inspired! Meet and mingle with faculty and staff. Each lecture will feature "TED-like" presentations by distinguished faculty on topics that are fun, yet educational.

PRESENTING:

"The Future is Female: Protesting in Sweats"

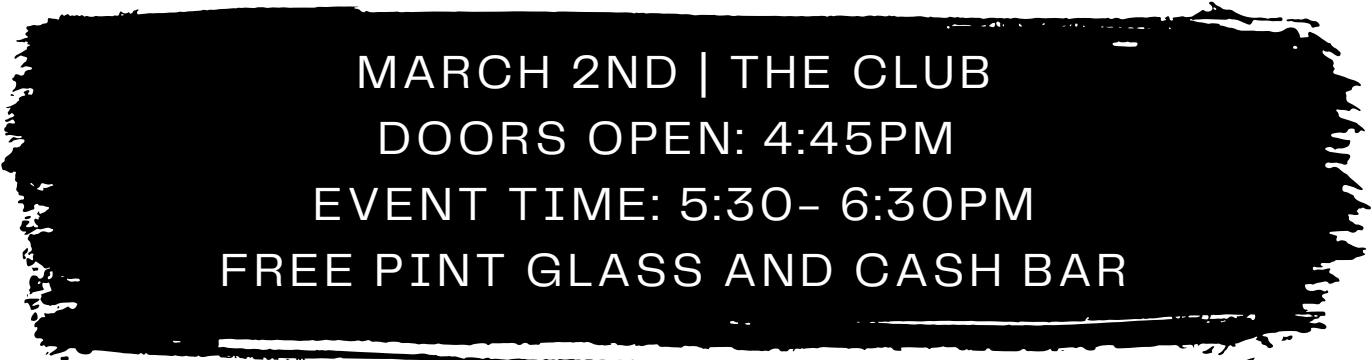

Dr. Emily Newman, Department of Liberal
Studies

"My love of Archeoastronomy: A study of Chaco Canyon, New Mexico"

Dr. Kent Montgomery, Department of Physics
and Astronomy
