

OPEN TO ALL MAJORS

ACCOUNTING TOWN HALL

Explore the future of accounting with a dynamic discussion featuring industry professionals from CJ Group, Saville CPA, and the Assistant Controller of ETAMU. Gain firsthand insights into diverse career paths, emerging industry trends, and the essential skills employers value.

Our experts will outline various accounting specialties, share details on everyday responsibilities, and offer strategies for career success. Whether you're just exploring your options or looking to expand your professional network, this session promises practical guidance for your journey in accounting.
