

CitySquare AmeriCorps Members Spring 2016

CitySquare's AmeriCorps Spring 2016 members serve vulnerable populations in the Dallas area. Members serve to fulfill neighbors' needs regarding food, housing, case management, financial empowerment, and/or life skills training.

Spring 2016 positions are available in a variety of service settings; however primary duties in each setting include providing economically disadvantaged and homeless neighbors with community referrals related to food, mental and physical health, transportation, housing and other needs as determined through intake and assessment. These duties may be executed either in a single meeting or through ongoing support, depending on the program. This service opportunity is highly interpersonal, and requires that members serve well with others. Members must be able to accommodate changing service conditions and diverse points of view.

Members also attend service projects and events, such as MLK Day of Service and Life After AmeriCorps training.

Members receive a \$2,800 living allowance (broken down and paid in biweekly installments) and a \$1,515 education award (contingent upon successful completion of term).

Minimum Qualifications:

- Available 30 hours per week from January 11-April 30, 2016
