

## Instructions for Booking Appointment for Free COVID-19 Test

- Go to <https://texasam.curativeinc.com/welcome>
- Click “Get started now”
- The next page will prompt you to select which symptoms you are currently having. Select all symptoms that apply and then “Save and continue” or select “None of the above”.
- The following pages ask questions regarding exposure and your place of work, answer the questions with the appropriate “Yes” or “No”.
- Then, enter an active email address which you check regularly.
- The site will then send you an email, to the email address you provided, to a link to book an appointment.
- The email will come from “Texas A&M COVID-19 testing with Curative”.
- Click the link in the email to book your appointment.
- Once the link loads, select the Commerce location. **\*\* Note: It is important to select the correct location when booking your appointment. The correct location for TAMUC is “Texas A&M University – Commerce 1504 Lee St, Texas A&M Commerce Student Health Services, Commerce, TX 75428”.**
- It will then provide day and time slots which are currently available for booking testing appointments.
- Answer the questions to finish booking your appointment and to receive your “Appointment Number”.
- Please save your appointment number and have it readily available for when you arrive at Student Health Services for your appointment.
