

Spring 2022 Mandated University Covid -19 Protocol

Texas A&M University-Commerce will resume a pre-pandemic schedule of classes at full capacity for the spring 2022 semester. On June 1, 2021, President Mark Rudin announced that A&M-Commerce will be returning to normal pre-COVID operations. We will offer face-to-face/online and Hybrid courses and resume all on-campus events and activities. This means that standard [enrollment requirements](#) will be in effect for all F1 international students.

As you are planning to travel to the U.S. to attend classes for Spring 2022 Office of International Programs would like to provide you important information for travel requirements & COVID-19 Testing/Vaccines.

International Travelers

Faculty, staff, and students traveling from another country must follow Texas A&M University-Commerce's COVID-19 protocols **before arriving at A&M-Commerce**.

If you are vaccinated:

- You must submit proof of vaccination.
- You must also test 3-5 days after arriving in the U.S.
- Email your vaccination record and the test results to COVID.Vaccine@tamuc.edu.

If you are unvaccinated:

- After you arrive in the U.S., you must get tested within 3 to 5 days and must self- quarantine for 7 days.
- Email your test results to COVID.Vaccine@tamuc.edu.

If you do not get tested, you must self-quarantine for 10 days. Please email the emergency Operations Center at EOC@tamuc.edu if you do not plan to take the COVID-19 test.

Residential Living & Learning (RLL): If you are living on-campus

- If you are not required to quarantine, schedule check-in appointments with RLL. Please note that halls open no earlier than Sunday, January 9, 2022. (Refer to the email sent by RLL to set up check in appointments)
- If you are required to quarantine, please email RLLCOVID@tamuc.edu no later than January 05, 2022, and prior to arrival to coordinate a Quarantine location.

Student Health Center (SHC): COVID-19 Testing/Vaccines

International Programs

A&M-COMMERCE

- Make an appointment to test for COVID-19 testing. Find instructions on booking an appointment for free COVID-19 testing and consent form which is attached to this email.
- Book an [appointment](#) with the [Student Health Center \(SHC\)](#) separately through the [online portal](#)
- Students should not eat nor drink for 20 minutes before the test
- The results will be provided within 24 - 48 hours
- The **SHC** may have COVID vaccines available for TAMUC students **FOR FREE**. Feel free to make an [appointment](#) with the SHC for vaccines through the [online portal](#) or by contacting them directly via phone at 903-886-5853.

Please note that regardless of vaccination status, everyone will be required to submit to a COVID diagnostic test provided by the University. Students who do not comply with mandatory COVID-19 reporting, testing and/or quarantine/isolation requirements will go through the Student Conduct Process. This may result in a student facing possible separation (i.e., suspension or expulsion) from the University or being considered a student "not in good standing. This may also result in your F-1 SEVIS termination, and you may have to go home.

We kindly request you to plan your travel accordingly! Documents attached to this emails contains essential information on [COVID-19 University mandated protocol and Covid-19 testing registration information](#).

If you have any questions or concerns, please feel free to contact OIP at new.intl@tamuc.edu or call us at 903-886-5097.
