

Here's how **YOU** can advance **NASA's** spacewalk training!

5 STEPS

If this sounds like something you're interested in,
be sure to check out the **#MicrogNExT** website.
There you'll find all of the other information you
need for this exciting opportunity!

<https://microgravityuniversity.jsc.nasa.gov>

*Check out this website
for more information!*

1

Step One:
Gather a team

*Each team needs an
advisor. No more than
6 students on a team*

2

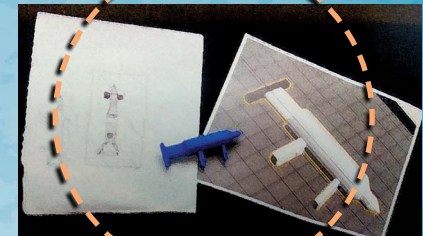

Step Two:
Design a tool

*Your team will
have 5 tools
to choose from*

3

Step Three:
Build a Prototype

4

Step Four:
Travel to JSC

5

Step Five:
**Test tool in NASA's
Neutral Buoyancy Lab**

*Yup! We're talking about a 6.2
million gallon pool here!*
