

IT Help Desk can assist you with...

- MyLeo Password Resets
- Hardware Diagnostics
- Malware on-demand scanning

Note: Help Desk can only diagnose a hardware issue. Help Desk cannot work on the hardware to resolve any issues identified in the diagnosis. Help Desk can provide local business recommendations.

Our Student Knowledge Base provides...

- **MyLeo** Password Reset instructions
- **Malware** on-demand scanning
- **eCollege** Questions/Issues and Contact information
- **Wireless setup** information
- VPN access for **Library Resources**
- **Tips & Tricks** and so much more!
