

Get ready for.....

The ACW PTO is teaming with the Commerce community, TAMUC Children's Learning Center and Morris Recreation Center to host the annual **Trunk or Treat** event at **Halloween on the Square**, Wednesday, October 31st, 2018, 5:30pm – 7:00pm, and we need YOUR help! You may help in two ways:

1. **Decorate the “trunk” of your vehicle on Halloween night and hand out candy to kids**
2. **Donate CANDY or CASH (we need LOTS!)**

(or BOTH!)

Details for Decorating Your Vehicle

If you are interested in decorating the back of your vehicle there are lots of great ideas on Pinterest, or you may contact ACW PTO for ideas. If you plan to attend with your vehicle, please contact Kristi Robertson. We will line up vehicles in the parking area in the center of the square downtown. Local businesses will be set up to hand out candy on the perimeter of the square. This is a great way for kids in our community to have a safe and fun trick-or-treating experience on Halloween night.

Note: The event itself is hosted for elementary-aged kids. Middle school, high school, and college students may earn community service hours for their respective student organizations for volunteering to decorate a car and hand out candy!

Details for Donating Candy

Please bring bags of individually pre-wrapped candy to one of the following locations at TAMUC: Children's Learning Center, Counseling Center, Campus Recreation, Thrower Center, Dean of Students office, Residential Living & Learning office, SEEDS office, and Rayburn Student Center (information desk), or to the Commerce Elementary schools labeled “ACW PTO”. **The more candy the better!** Last year's **Halloween on the Square** event had approximately 4,000 kids walk through! Sharing the expense of the candy is a huge help. If you'd like, you may also donate on Marketplace under fundraiser at <http://marketplace.tamuc.edu/clc> and we will purchase candy.

We are expecting this to be a *spooktacular* event!!!

We will be communicating with you regularly about this event on our Facebook page.

Follow us there at www.facebook.com/acwptopage

Thank you for your help!
