

TAILGATING POLICY

TAILGATING

We want all guests at Globe Life Park to enjoy events here, and some of that fun starts before you enter the ballpark.

Tailgating is permitted in most Rangers parking lots. All guests wishing to tailgate must observe the following guidelines. These guidelines have been developed to provide a fair, reasonable, and safe tailgating experience for guests. Failure to follow these guidelines may result in the loss of tailgating privileges, ejection from the parking lot and/or criminal trespass.

A Rangers game ticket is required to access the parking lot on Opening Day and potential Rangers postseason games. Tickets for other events are not required to access the parking lot, unless specified.

- Parking spaces are for vehicles only. They are not for tents, grills, chairs or other items.
- Tailgating is permitted only in grassy areas.
- Tailgating is not permitted on sidewalks or areas that block pedestrian traffic.
- Tailgating is permitted from the time the parking lots open until the end of the 2nd inning.
- Post-game tailgating is allowed up to 1 hour after the final out, at which time the lots will be cleared by security.
- The maximum area that any single tailgate space may occupy is 9-feet wide and 12-feet deep.
- All guests must follow the directions and instructions provided by ballpark parking and security personnel.
- Trash should be disposed of in the appropriate receptacles.
- Coals must be disposed of in the designated coal containers located throughout the lots. Do not dump coals or store stoves on the grass, parking areas, or under/around vehicles.
- The following items and activities are strictly prohibited:
 - Setting up tailgates prior to lots opening.
 - Open flame fires of any kind. Charcoal and gas cooking is permitted.
 - Deep fryers or any oil-based cooking or frying.
 - Saving parking or tailgate spaces
 - Weapons or fireworks
