What is Walk Me Home?

Walk Me Home...to the place I belong is the only nationwide walk for foster care. The National Foster Parent Association and its State Affiliates are conducting this event to raise awareness and funds to support missions of their organizations. Jointly we have had great success in working on projects such as National Foster Care Month, the Hurricane Katrina Relief Project and the National Foster Care Independence Act. We are now embarking on this new endeavor that will continue to positively impact foster care nationally.

Walk Me Home...to the place I belong will be different in only one respect from our previous successes -- it will raise much needed funds to support foster care programs across the United States.

These funds will be used to:

- Increase recruitment of foster families
- Continue development of innovative training and educational opportunities
- Enhance disaster relief efforts
- Create and enhance advocacy programs for foster care throughout the nation
- Increase positive awareness of foster care

Make a Difference

Beyond the much needed programs that will be developed in our communities, **Walk Me Home...to the place I belong** will allow those who cannot be foster parents the opportunity to support foster care and thus foster children across the United States.

Event Calendar

Walk Me Home...to the place I belong will be different from any event that you have encountered before as it will be a part of a nationwide series of walks conducted from May to October (walk season) all across America. **Walk Me Home** will be organized at the discretion of each State Affiliate anytime during walk season (May-October). Each participating state will be organizing at least one walk on **Saturday, May 3, 2008** for **National Foster Care Month**.

*Don't miss this opportunity to
be involved in the first
nationwide walk for foster
care.*
