

BERRY FAMILY SERVICES, INC. DIRECT CARE STAFF NEEDED

Are you interested in working with individuals with special needs? Need flexible hours? Want to get additional experience while working on a sociology, social work or special education degree?

Berry Family Services has twelve group homes in the Garland, Rowlett and Wylie area and serves approximately thirty-five individuals with special needs. Some of the duties include:

Provide continuous on-going active treatment by supporting all areas of Program training, operations, and the overall needs of the Consumer of the Group Home.

Provide transportation for residents, via company vehicles and maintain status to legally operate company vehicles. (You must have a valid/current Texas Driver's License enabling you to drive at all times.)

Ensure the rights of the consumer, treating them with dignity and respect.

Complete all documentation required for consumers and Company operations.

To stay alert and awake while on duty, ensuring a safe and clean living environment at all times.

Model and reinforce all needs of consumers and group home operations by "leading by example".

Assist/monitor all self-medication passes and the performance of tasks delegated by the Nurse. Immediately notify the nursing staff when an error is found or occurs.

Encourage and support consumer to be active in Community events, outings and opportunities. Facilitate social interaction and socially valued behavior.

Direct Care Staff start at \$10/hr and have a flexible schedule.
