Cooke & Grayson County, Texas

Job Title: Placement Diversion/Family Reunification Specialist

Description

Liberty Resources is a dynamic human services agency and a great place to work! Working for Liberty Resources means you'll have access to great career opportunities, benefits, and a fun atmosphere. Our employees are passionate about our values of excellence, integrity, diversity, self-determination, service, innovation, and fiscal responsibility. Our rapid growth is providing exciting advancements in all areas of our organization. We are currently seeking a part-time Placement Diversion/Family Reunification Specialist for our program in Cooke/Grayson County, Texas.

The Placement Diversion/Family Reunification Specialist is primarily responsible for the provision of individual and family therapeutic services to children and families involved in the Juvenile Justice System to prevent out of home placement. In addition, the Treatment Specialist may work with youths transitioning back in to the community from placement by providing individual and family therapeutic services to prevent re-placement. The Treatment Specialist conducts assessments, develops treatment plans, works collaboratively with outside agencies, prepares court reports, and provides testimony in family court as needed.

Qualifications

Masters degree in Social Work or a related field is preferred. Bachelors degree with related experience will be considered. Exhibit excellent verbal and written communication skills, possess a valid Driver's License and have access to reliable transportation. Bilingual preferred
