HOUSTON A+ CHALLENGE

The 2014 "Find Your Path" Career Day Expo is an excellent opportunity to plant positive seeds in the minds of our youth. Hosted by the City of Houston Human Resources Department, the Expo will allow approximately 5,000 high school juniors and seniors to discover a wide variety of career opportunities available in the public sector, as well as in Houston's major growth industries in the private sector. Exhibitors will also include representatives from colleges, universities, and resource agencies. This is a community sustainability initiative that will help us "grow our own" future workforce, by providing students with a wide variety of potential career options and positive motivation.
