Dear Go Center Partner,

It is with great pleasure that I write to invite you to participate in our College and Career Fair. This exciting event is scheduled for Thursday, October 30, 2014 at our gymnasium. I am requesting that you arrive promptly at 8:00 a.m. so that you have sufficient time to set up your informational booth/table. This event will conclude at 1:00 p.m. We are hoping you are interested in helping our students learn about the academic programs available at your institutions.

We believe that inviting post-secondary institutions to our campus plays a colossal role in creating a college going culture. The goal of this initiative is to expose our students to the importance of researching and planning when making important decisions in life. Together, we can help prepare our students for a successful university experience.

We are asking institutions interested in participating to please bring a door prize. To ensure that the event runs smoothly, please sign, date, and return this commitment letter by no later than October 27, 2014. If you would like additional information, please call the Go Center at 580-5300 EXT. 1211. We hope that you are able to accept this invitation, and we look forward to hearing from you.

Respectfully,
Elizabeth Rios
