Laura Hunter, Counselor
Lori Anderson, Academic Advisor

October 5, 2015

To Whom It May Concern:

Bullard High School would sincerely appreciate having a representative of your college, university or other institution at our College and Career Day for BHS students and students of neighboring Brook Hill Upper School. The event is scheduled for Tuesday, November 17, 2015, at the Bullard High School gymnasium from 1:00 to 3:00 p.m. The gym will be open at noon that day for representatives to set up displays. Tables will be provided. If you have any special needs for your display, please notify us. As many representatives may be traveling from Chapel Hill, The Brook Hill School will also be providing lunch for representatives coming to the area. Please see the accompanying lunch invitation for more details and separate RSVP contacts.

The students attending our college fair will be registered with the Texas College Fair Registration Dashboard so you should be able to use scanners to gather information.

Please RSVP for our event by November 6, 2015 so that we may be prepared to accommodate all of our representatives.

Thank You,

Laura Hunter
