Director of Recruitment:
I would like to invite your school to participate in ***College Forum 2016*****,** which will be held this year at **Midland College, 3600 N. Garfield, Midland, TX, in the Physical Education Bldg., across from the Chap Center.** This annual event is scheduled for **Thursday, October 6th from 7:00 – 8:30 p.m**. *College Forum* is sponsored by Midland Independent School District, Midland College, Midland Chamber of Commerce, and the PTSA's of Robert E. Lee High School and Midland High School. Through this coalition, Midland's *College Forum* should be very successful for all involved.
All high school students (4000 +) will be invited and encouraged to attend. The senior classes have 1,200 students and most of these students are planning to attend college. There are three ways in which you can participate:

1. You may send your own representative
2. You may designate someone to be your representative. If you elect to do this, please advise me of their contact information.
3. If you choose not to send a representative, you may supply us with brochures and admissions information, which will be provided to the high schools.

On the evening of the event, everyone entering the building will receive a list that shows each school represented. Informal chats with interested students and parents can take place in an open setting. Also, prior to *College Forum*, a meal for representatives will be provided by the PTSA (RSVP required).
We hope that you will seriously consider participating in *College Forum 2016!* To assist in our planning, please click on the link to complete the registration form and e-mail it back to midlandcollegeforum@midlandisd.net. Feel free to contact me with any questions you may have. I look forward to hearing from you soon.
