

PROVOST AND VICE PRESIDENT FOR ACADEMIC AND STUDENT AFFAIRS

October 16, 2008

Junior Faculty Member
Texas A&M University-Commerce

I would like to encourage you to participate in the Texas A&M University System Junior Faculty workshop, which will be held Thursday and Friday, November 6-7, 2008, on our campus. The workshop provides an opportunity to initiate sustained interaction among the participants and helps develop System-wide research and educational partnerships that connect faculty across the A&M System and to meet other junior faculty and explore collaboration with System colleagues. Registration for the Junior Faculty Workshop can be found at <http://www.tamus.edu/pathways/workshop/>. Faculty registration fees will be paid by the Office of Sponsored Programs.

Faculty are also encouraged to attend The Texas A&M University System Pathways Student Research Symposium, which will be held in conjunction with the workshop. The Symposium will be held on November 7-8, 2008 on our campus. Faculty are encouraged to volunteer to serve as judges for the poster presentations. To participate as a judge, please register at the Pathways registration site (<http://www.tamu-commerce.edu/gradschool/Pathways/>). Registration fees have been waived for all faculty who participate as a judge.

If you have questions regarding the workshop and/or symposium, please contact Natalie Henderson at extension 5161 or natalie_henderson@tamu-commerce.edu. I look forward to seeing you at the Workshop and the Symposium.

Sincerely,
