Off to a Wonderful Start

The Caribbean Students Association started the 2010/2011 school year off with a bang. The new officers and the new members brought a whole new brand of fun to the organization. Although the Texas A&M-Commerce football season was cut short, it wasn't due to a lack of spirit... *Caribbean* spirit. Our organization showed up, showed out, and won the coveted Spirit Award (for being the most enthusiastic cheering squad) twice. In addition to winning the most popular award on campus, CaribSA held it down for the 2nd year in a row and won first prize in the Homecoming Spirit Competition. Way to go CaribSA....Aye!

-cock were recognized by the Dallas West Indies United organization on November 6th at the 9th DWIU Annual Banquet and Award Show for their tremendous achievements. Thanks for representing guys!

Bright Futures

Not only are our members fun and creative, but they're smart...who knew? Three of our members received scholarships for their academic and social involvements. J. Royal, Alvin Gomez, and Ryan May

A Taste of CaribSA

(L-R) Ryan Maycock (Secretary), Nadina Rhymer, Shanique Thomas, Alvin Gomez (Treasurer), J Royal (President), and Brenda Brand (Assistant Director of International Students Service).

Every year different organizations gather for the annual International Coffee Hour; the event brings different cultures together to swap food, drinks and stories during International Education Week. This year CaribSA stuck their foot in it! We prepared lots of baked goodies: bread pudding, cinnamon bread, sweet potato bread, and coconut tarts. It was a sweet success.

Giving Back

Each semester we gather together to give back to our community and to assist people in their everyday lives. This year we will be volunteering at Oak Manor residential living facility. Please come out and support our elders. For more information about future volunteer opportunities please email us at CaribSA@ymail.com.

Happy Holidays from our Family to Yours

CaribSA would like to wish everyone a happy holiday and a wonderful year. Thank you for a fantastic semester and a great year. We would like to give a special thanks to everyone who came out and supported us this semester: CaribSA alums, the Alumni Center, the SRSC, ResLife, Dean Headley and his wife (for opening up their home to members of our organization and other students who could not go home for Thanksgiving), both TCU and MSU chapters of CaribSA for hosting us during their annual events, NACWC, ISA, and CAB. Thank you all and we hope next semester is even better than this one. **CaribSA... Aye!**
