

We are Excited to Announce
The 2021 Virtual Annual Research Symposium
Tuesday, April 6, 2021

Accepting Student Submissions January 29 – March 5

This event welcomes all students, faculty & staff, alumni, and community to attend sessions and support the research conducted at A&M-Commerce in a live virtual environment. Students in all disciplines have the chance to showcase their research and creative activity and receive valuable feedback, and have the opportunity to compete for cash prizes!

If you have a student currently participating in research under your direction, we ask you encourage them to register for an afternoon of research, professional development and networking!

Interested students should complete the following steps:

- Complete and submit an Advisor Approval Form along with abstract to ARS@tamuc.edu for approval
- Once approved, complete and submit a registration form (a link will be provided via email)
- In the same email, the student will receive an invitation to join the virtual platform and become familiar with how to set up their virtual presentation

For a link to the forms and if you have questions or would like more information, please visit www.tamuc.edu/ARS or email ARS@tamuc.edu.
