

**Federation of North Texas Area Universities
Graduate Student Research Approval - 2021**

Student: _____

CWID#: _____

Email Address: _____

Title of Research: _____

Department Name: _____

All students must be on an active protocol (IACUC, IBC, or IRB) to apply. If your advisor feels that no protocol is required, they must submit a statement explaining why no protocol is needed for your research.

Protocol #: _____

I have reviewed and approve the research as presented for the above student.

Advisor's Name: _____	_____
Please print name	Date

Signature: _____

This approval must be submitted by email with a copy of your research abstract, virtual poster, pre-recorded video, and written transcript to the Office of Sponsored Programs (osp@tamuc.edu) on or before March 3, 2021.

Please follow guidelines for submissions located at:
