

The Faculty Success Center Presents:

Celebration of Teaching Series

This November, we're highlighting how faculty and students can collaborate with university and community partners with a special workshop led by **Dr. Jessica Stearns**, Associate Professor of Music in Musicology/Ethnomusicology.

Dr. Stearns will share insights from her Challenge Grant project in a presentation titled: *Collaborative Community Projects*.

Date: November 17, 2025

Time: 2 p.m.

Location: BA 343

Attend in Person or via Zoom

Registration is Preferred

*A Zoom link will be provided after registration.

*All students, faculty,
and staff are welcome.*
